

Student ClassLink and Google Classroom Sign On

Open Google Chrome

Student's username is their Student ID
Their password may be the district
default of the YCstudentid
(Students in Grades 5 through 12 had
the option to set their own password.)
Click Sign in

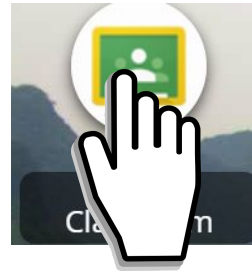

Click the "app" that you want to use

If this is the first time logging into Google
Classroom, Google will open a new dialogue
box and ask for an email address.

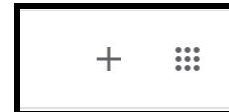

Student email addresses are in the following format:

studentid@learn.ycusd.org

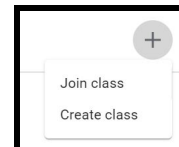

Their password is the same as their ClassLink password.

Click on the + in Google Classroom dashboard

Select Join Class

Students will see classes that they have been
"invited" to. They will click on the ones that have a
a Join icon in the bottom right corner. If they have
already joined, they will see a folder (like the image
to the right).
