All students\* are welcome to tryout for next year's fall sideline cheer squad!

### Mandatory Tryout Meeting Dates are TBA at this time.

- We traditionally have the meetings in March and run tryouts around Spring Break (normally the two weeks before or right after).
- This year has not been planned due to the pandemic. We will be making plans as soon as we can. Hopefully we can hold in-person tryouts, if not, we will hold virtual tryouts.

Cheer News! Cheerleading is now divided into 2 types: Sideline Cheer & Competition Cheer.  
Sideline Cheer has two seasons: Fall (Football) and Winter (Basketball) and is the traditional cheerleading that most think of (cheering at games and performing at halftimes).  
Competition Cheer is now an official CIF spring sport. We are participating in the STUNTS (like CSC) version, which is a hard to hold game sport neither team performing the same stunt/holding jump routines.  
There will be a separate tryout for the girls' seasonal sports, sport tryout times
